

Children's Party's at Beaufort House Chelsea

Does the idea of planning a pretty party for your little lady, a big bash for your tiny tot, or even a small soiree for some cheeky children, make you break out in a cold sweat?

Then the team at Beaufort House Chelsea are here to help.

From castles, to character appearances, entertainers of every type, sandwiches, sweets and cupcakes, we can work with you to design and plan the perfect children's party.

We can cater for parties of children up to 50, and happily take away all the toil and turmoil away from you!

Our little black book is bulging with the best suppliers in town, and we know who knows their stuff, so right from choosing the theme to making sure everything arrives without fuss on the day, we'll take the stress out of party planning for your wee one leaving you to relax and enjoy the event.

And while they are running riot, sit back and enjoy a chilled glass of Champagne in our members lounge with friends! Who could ask for more?
