COCKTAIL MASTERCLASS

COCKTAIL MASTERCLASS

**Learn the art of mixology with
the experts.**

Everyone has their favourite drink but can you replicate what you have at the best cocktail bar in Chelsea at home? Whether you prefer the timeless classics or something a little more adventurous, our masterly mixologists at Beaufort House can teach you exactly how to make your favourite cocktails.

We offer a range of Cocktail Masterclasses, where you can learn the art of cocktail making and find out how to mix, shake and serve some of the most delicious drinks around. Perhaps you're a cocktail novice and you want to learn what it's all about. If you can't tell a Collins from a Cosmo, or a Martini from a Mojito, our popular cocktail-making classes will teach you everything you need to know.

Cocktail making isn't as straightforward as our skilled mixologists make it appear, and when you join one of our classes at the best cocktail bar in Chelsea, you will learn how it is done correctly from the experts, as well as having the pleasure of drinking all the drinks you make.

THE MASTERCLASS

After a welcome drink, you will be guided through the history of some of the spirits you will be using and how they are made before being let loose behind the bar. Learning about mixing the perfect cocktail at our masterclass is a great way to celebrate for special occasions, corporate entertaining, team building or even just a fun night out with friends.

Minimum numbers 8 up to 40 people per class

Cocktail making is easy as long as you know how and our mixologists will take you through every step. You can then impress everyone at your next party with your newfound skills.
